

# Actively involving learners: a whole school approach

## Summary

This two day practical training course looks in detail at Sharing Learning Outcomes, Making Feedback Count, Asking Better Questions and Pupil Assessment in order to support Assessing Pupil Progress (APP). There will be time to review the links between assessment for learning and motivation and the course will provide strategies to support pupils in adopting positive mindsets and stances. The programme also addresses the requirements of the strategy objectives and how schools can continue and improve their current practice.
